VOL. 45, NUMBER 33

ELECTORATE WILL VOTE ON ISSUE

SEVENTEEN HUNDRED ENROLLMENT CROWDS ELEMENTARY SCHOOLS

Total enrollment of 1,726 students, an increase of 273 over last year's figures, was announced for six Daly City grammar schools last week by James Snell, superintendent. Most of the increase is in primary grades, from kindergarten to the second grade, Snell

enrollment by school is as follows:

Rockefeller School	217
Jefferson Elem.	441
Hornton Elem.	116
General Pershing	268
Woodrow Wilson Prim.	346
Woodrow Wilson Elem.	338

In addition to the above figures, there are 460 primary and elementary students registered at Our Lady of Perpetual Help Parochial school on Wellington avenue, beginning the overall grammar school enrollment to 2,186. The largest proportion of the enrollment is in the lower grades, the weight of these figures will be felt at Jefferson Union High school in a few years.

Enrollment by grades is as follows:

Morning Kindergarten	130
Afternoon Kindergarten	100
Low First Grade	201
High First Grade	205
Low Second Grade	150
High Second Grade	70
Low Third Grade	118
High Third Grade	73
Low Fourth Grade	128
High Fourth Grade	53
Low Fifth Grade	102
High Fifth Grade	67
Low Sixth Grade	112
High Sixth Grade	52
Low Seventh Grade	81
High Seventh Grade	39
Low Eighth Grade	91
High Eighth Grade	54
TOTAL	1,726

Crowded beyond capacity, the schools are faced with the largest enrollment in history. A further increase is expected next year as hundreds of pre-school-age youngsters become eligible for attendance.

There are 51 teachers employed by the local elementary public school district.

Lions Picnic This Sunday At Oak Cove

Go down El Camino highway to the Hospital in San Mateo; turn right, following Crystal Springs road; Take All Left Turns for four miles and you'll wind up at Oak Cove Park.

These are the directions put out by Elton McGraw this week for the Daly City Lions Club picnic at Oak Cove Park Sunday. McGraw is chairman for the day.

Barbecued spare ribs and steaks will be the main attraction, McGraw said, with an entertainment program in the hands of Arnold Della. The feast is presented for free dollars a plate. Members and guests are invited to attend. Admission will be free. Popular records will be utilized for music, and refreshments will be served.

BOTH SIDES

In order to present the people of Daly City with both sides of the controversial question—"Shall the city annex the Doelger Westlake subdivision?"—the Daly City Record will open its columns to both proponents and opponents of the issue.

Copy should be kept to a reasonable limit in length and articles should be brought to The Record offices not later than Tuesday of the week in which publication is desired.

Get both sides of the story in The Daly City Record.

OVER 800 STUDENTS AT JEFFERSON HIGH

With a total enrollment of 840 students for the fall semester, Jefferson Union High School was comfortably full this week, but far from the crowded conditions in the local elementary schools.

A last minute addition to the faculty, Miss Bessie Sharp, who will teach mathematics and English, brings the staff to 38 teachers, according to Superintendent Stanford Hannah.

Completion of two new shops—a vocational shop and a metal working department—will expand learning opportunities for the students, Hannah said.

Night classes in auto shop and possibly sewing are being arranged by the board of trustees of the high school district. Other night classes, including training in crafts and whatever other subjects for which a demand may be evidenced, are under consideration.

People interested in formation of night classes should write to the high school or phone their suggestions to Juniper 7-6612.

Local Woman Among 15 Hurt In Bus Crash

Elyse Carter, of 387 Woodrow street, was among 11 Greyhound bus passengers treated for shock and bruises at Alameda hospital Wednesday night after a collision between the bus and a San Francisco fire engine at Sikes and Mission streets.

The fire truck, responding to a false alarm, was crossing Mission at Sikes and was struck broadside by the south-bound bus. In addition to the 11 injured passengers, four firemen required hospitalization.

Frederick R. Mills, of Redwood City, the bus driver, was cited by S.F. police for failing to heed a siren.

LEGION DANCE

Eugene Lowery, social chairman of the local American Legion post, announces a dance to be held at American Legion Hall, 474 San Diego avenue, next Tuesday evening, September 21.

Members, prospective members and guests are invited to attend. Admission will be free. Popular records will be utilized for music, and refreshments will be served.

Daly City Garbage Firm Fails To Get San Bruno Contract

Fireworks and argument were seen at a meeting of the San Bruno city council last week when the San Bruno Voters and Taxpayers Association presented a 464 signature petition against awarding of a garbage contract.

The council awarded a contract to the firm of Shauckowich and Magoria, increasing the rate of collection to ninety cents per month. The city will collect the charges and the garbage company will repay the city twenty-five per cent of the amount collected. It is estimated the city will realize \$14,000 annually from the contract. The former rate was 50 cents per month.

The Taxpayers Association rebelled, asking the council to grant the contract to the Daly City Scavenger company, which had bid at seventy cents per month, returning twenty per cent of this amount, plus \$1,000 per year, to the city. The Daly City bid included collection of 30 gallons of garbage per week and pickup of rubbish in boxes not exceeding two feet by two feet by four feet in size, once a week also. Net return to the scavenger company, on this basis, would have been 56 cents per week per customer.

The San Bruno council accepted the higher bid on the basis of a larger return to the city and the belief that the successful bidder would provide the best service.

DENNIS REPRESENTS AFL AT LONG BEACH

Edward J. Dennis, former councilman and present head of the Milk Wagon Drivers Union, has been elected to represent that organization at the state American Federation of Labor convention to be held in Long Beach the week starting September 27, it was announced today.

Dennis, twice president of the Drivers Union, was formerly business agent of the labor organization.

Police Can't Catch Can Thief On Los Banos Ave.

That old ditty, "Put out your can, here comes the garbage man," struck a sour note Tuesday at the Koehler home at 127 Los Banos avenue.

At the end of the day the brand new container had completely disappeared, Mrs. Koehler said.

Police said they can put the can thief in the can if they can catch him. Catch as catch can, that is.

Sneak Thief Cops \$86 Hidden In Closet

The best place for loose money is in the bank.

Police have been harping on that subject for years, and Mrs. Grace Baicalupui of 51 Wilson street can verify the truth of the statement after reporting Monday that a sneak thief had entered her home and stolen \$86 from a gallon can hidden in a closet.

Eleven dollars was also taken from an envelope atop a dresser, Mrs. Baicalupui said. Nothing else was disturbed in the house.

Officers Welsh and Johnstone are investigating the theft.

Local Celebration Planned For Portola Expedition Oct. 16

Local merchants and civic leaders today were making plans for a two-day centennial celebration in Daly City on October 15 and 16 to celebrate the 108-day Portola Trek which passes through Daly City on October 16.

Efforts are being made to have the procession stop here for an hour's program on that date.

The horsemen in the trek, attired in old-time armor in exact replica of the party led by Portola 179 years ago, are retracing every step of his journey.

Local members of the Mission Trails Assn., led by Chairman Hugh Smith Jr., and Peter Markovich and Ted Hopman of the Daly City Merchants Association, are trying to organize a street decoration program and a two-day local celebration culminating in a Portola Dance at Jefferson High School on October 16.

The Daly City Merchants Association will hold a meeting Monday night at the city hall to complete plans for the occasion.

Mustangs Travel To Santa Rosa For First League Game

Playing their first California Athletic League game after a 50-50 average in two pre-season contests, the Daly City Mustangs travel to Santa Rosa Sunday to meet what is expected to be one of the strongest eleven in the league. Kick-off time is 2 p.m. at the Santa Rosa stadium.

The Santa Rosa outfit holds a win over the Piedmont A.C. eleven which outclassed the Mustangs here last week, 28 to 0.

Hampered by the loss of Jack Rainey in the backfield, Coach Harlan Ferrando was planning to revise a few plays to effect quick-breaking runs with a bolstered passing attack.

Fullback Joe Tudoni and jack-rabbit Bob Plyer will be slated for most of the ground-gaining chores for the locals.

A contingent of Daly City fans will make the trip to Santa Rosa to cheer the Mustangs.

Council Is Invited To Portola Pageant In San Mateo-Burlingame

The city council was invited to attend and participate in welcoming festivities of the Portola Trek to San Mateo county on Friday, October 15, in a letter from Martin A. Poss, chairman of the San Mateo County Centennial Committee.

A parade will assemble at 6 p.m. at San Mateo city park and then wind its way through the San Mateo business district to Burlingame's Washington, where a pageant will be presented at 7:30.

Daly City merchants plan a local celebration when the Portola Trek arrives here, the last step before completion of the state-long journey.

LOCAL POPULATION ESTIMATED TO BE 13,050 PERSONS

Daly City's population, established by a special Federal census in 1946, is 11,666 on the record books, but estimates as to the population today range all the way up to 16,000.

San Mateo county Community Chest leaders, in setting up a quota for Daly City, arrived at a population figure of 15,600. This seems a little high to most observers.

Best estimate seems to be that of City Clerk Ross, who calculates there are now 13,050 people residing in the city limits. The city clerk's estimate is based on factual data—in an estimate submitted by him just before the 1946 special census he was off less than two per cent from the final figure of 11,666.

JOE FIRPO CELEBRATES TWENTY-FIVE YEARS OF SERVICE WITH BANK

The Daly City branch of the Bank of America was decked out in flowers Wednesday as the branch's thirteen employees honored Joe Firpo on completion of his twenty-fifth year with the bank. Mr. Firpo is assistant cashier and chief clerk.

Assigned to the Daly City branch for the past eighteen years, Joe is well known by everyone in town.

Firpo was presented with a gold pin with two diamonds by Manager F. Erickson for his twenty-five years of service. He also received a pen and pencil set from his fellow employees and was feted at a surprise dinner attended by the workers at The Southern restaurant Wednesday night. Arrangements were handled by Miss Flanagan, Miss Brown and Mr. Hansen.

Another anniversary will be celebrated by the Firpos on October 1, which is their twenty-first wedding anniversary.

Peterson Asks S. F. To Convert Street Car Right Of Way

In an effort to get the city of San Francisco to improve passenger service between the bay city and San Mateo, County Executive Frederick Peterson has requested Mayor Elmer Robinson to discontinue No. 40 street-car service so that the street-car right-of-way can be converted into a boulevard over which modern busses or trackless trolleys could be operated.

Peninsula cities have expressed themselves as being in favor of such a move, Peterson said. Last month, James Turner, San Francisco public utility head, said the city had no intention of relinquishing its street-car right-of-way.

Sept. 23 Is Last Day To Register For Nov. Election

"Apparently many persons otherwise qualified will be unable to vote at the general election November 2, due to their failure to become registered," stated County Clerk W. H. Augustus today.

Last day to register is next Thursday, September 23. A list of persons deputized to take voters registrations in this area is as follows:

- DALY CITY**
Peter J. Markovich, 6454 Mission street
C. Cattori, 7316 Mission street
Frank W. Kent, 250 Los Banos avenue
B. C. Ross, city clerk, city hall
Edw. R. Trier, 158 Woodrow street
Mrs. Helen Villalba, 115 Crocker avenue
Fahey Realty, 5 Wellington avenue (Open until 9 p.m. on September 21, 22, 23)
COLMA
E. A. Weisenburger, city clerk, Colma
BROADMOOR
Callan Realty, 2790 Junipero Serra boulevard
Mrs. Virginia J. Marovich, 1739 Louvaine drive

HILL-BILLY BAND AT EAGLES DANCE SAT.

Members of Colma-Vista Grande Aerie, Fraternal Order of Eagles, will hold a social dance this Saturday, September 18, in the Eagles clubrooms at 3346 San Jose avenue.

Eagle members are invited to bring guests to the event. Music will be provided by a Hill-Billy band composed of Bert Merritt, Bob Sullivan, Alec Storm, Ray Ward, A. Pixton, J. Lewkowicz, Arthur Hayden, Glen Meizner and Eric Diebel.

ANNEXATION OF WESTLAKE WILL APPEAR ON NOVEMBER BALLOT

PORTOLA TREK HORSEMEN APPROACH NORTHERN CALIFORNIA ON 108-DAY TRIP; REACH DALY CITY OCTOBER 16

Do you have a complaint? A suggestion? Comment?

The Daly City Record will be glad to print letters submitted by local people on local subjects, in a "LETTERBOX" column on Page 2. The column will be printed whenever such letters are received.

Letters of public interest are welcomed for publication, so long as they are not libelous. All letters sent for publication must bear the author's signature, although the signature will be withheld from publication if requested. Unsigned letters will not be published.

American Legion Membership Drive

With work already started on expansion of the American Legion clubrooms on San Diego avenue near North Parkview, completion of the frame for the addition is expected next week, according to Ralph Capps, commander of the Daly City post.

Capps also announced the beginning of an American Legion membership drive, with particular emphasis on younger veterans. Peter Bordson is chairman of the membership committee. All honorably discharged veterans are eligible for membership.

Speaker at the Legion's next meeting, Thursday, September 23, will be Joseph Sarto, who will discuss the organization of Boys' Clubs. The American Legion actively sponsors youth activities and has made its clubrooms available to Boy Scouts who will resume their Monday night meetings at the Legion hall next Monday, after a vacation lay-off, Capps said.

FIVE DRAFT CLASSES SET

The five classifications for peacetime selective service registrants are as follows:

- CLASS I**
I-A: Available for military service.
I-A-P: Conscientious objector available for noncombatant military service.
I-C: Member of the armed forces of the U.S., Coast Guard, Coast and Geodetic Survey or Public Health Service.
I-D: Member of reserve component, or student taking military training.
CLASS II
II-I: Registrant deferred for civilian occupation (excepting agriculture).
II-C: Registrant deferred for agricultural occupation.
CLASS III
III-A: Registrant with dependents.
CLASS IV
IV-A: Registrant who has completed service; or sole surviving son.
IV-B: Officials deferred by law.
IV-C: Aliens.
IV-D: Minister of religion, or divinity student.
IV-E: Conscientious objector, opposed to both combatant and non-combatant training and service.
IV-F: Physically, mentally or morally unfit.
CLASS V
V-A: Over age for military service.

COLMA MAN BREAKS LEG IN ACCIDENT

A cement mixer can be a dangerous machine, Russell Antracoli, of Route 1, Box 225, Colma, discovered this Monday when a mixer fell over as he was working, breaking his left leg and pulling the hip joint out of place.

Mr. Antracoli was working for Al Bocci and Sons at the Chinese cemetery when the accident happened. He was taken to Junipero Serra hospital.

Tired and dusty, the Portola Trek horsemen were approaching Monterey county this week after 65 days on the road. The group will pass through Daly City on October 16, and efforts are being made by local merchants to arrange a one-hour stopover here.

Leaving San Diego on July 14, this 1948 Centennial party has now been on the road more than half of their 108-day, 790-mile journey. They have ridden horseback every foot of the way, have camped out in the open every night, and have re-enacted this historical journey in every respect possible under modern conditions.

Illness and accidents have been at a minimum, but like the original trek the path has not been entirely free of trouble. One of the worst troubles—one which the Portola Party of 179 years ago did not have to contend with—has been the menace of speeding motorists and trucks; and, like that original party, they have not had an easy time in finding suitable campsites. However, the men are in the best of spirits and look forward eagerly to the last half of their Trek, which they will start next Wednesday after these few days rest.

Without a doubt, this Trek is the most ambitious re-enactment of history which has ever taken place, and the hundreds of thousands of people who have seen the troupe and witnessed their historical pageant have gained a new realization of California's thrilling history. Sponsored by the California Mission Trails Assn., in co-

(Continued on page 4 col. 1)

SWIMMING POOL CLOSED AT NIGHT

The swimming pool at Jefferson Union High School will not be available for public use until around September 20, Miss Juanita Young, swimming instructor, disclosed today.

Reason for the delay is that electricians are still working on the school's electric cables, making it impossible to properly light the swimming pool at night. High school day swimming classes, however, commenced with the start of the term this week.

Probably next week, Miss Young said, the pool will again be open to the public from 7:30-9:30 p.m. daily, and from 2 to 4:30 p.m. on Saturday afterwards.

Two Slightly Injured In 3-Car Accident

Two persons sustained minor injuries last week in a three-car collision at the intersection of Junipero Serra boulevard and North Parkview.

Capt. Raymond Caudill, 42, and Mrs. Chela Caudill, 26, of San Bruno, were taken to Junipero Serra Hospital in a police car, for treatment of superficial injuries. All three cars were damaged. Other drivers involved, besides Caudill, were George I. White of San Mateo and Elma D. Oddstad of 125 Hillside boulevard.

INSTALL FLOAT CONTROL VALVE FOR RESERVOIR

Kennedy Electric Co. of 6239 Mission street was ready to start stringing wire this week after being granted a contract by the city council for installation of a float control valve on reservoir No. 1, overlooking the Edgewood Terrace tract. Amount of the job is \$950.

The control will automatically shut off booster pumps at the Citrus avenue pump house as the reservoir fills up and will remove any possibility of overflowing.

THE WAY YOU LOOK AT IT

Apparently the matter of whether administrative officers should be appointive or elective depends on the way you look at it. For example, San Francisco's Board of Supervisors is considering charter amendments which would make the positions of recorder, tax collector, county clerk, public administrator and coroner elective. At present the jobs are filled by civil service appointments.

On the other hand, a charter study committee named by the San Mateo County Board of Supervisors has recommended that a bunch of elective officials, including County executive, engineer and sheriff be made appointive. At present they are elective. The Supervisors have decided, for the present at least, to put only one issue—the county executive's office—on the ballot with a charter amendment to make the elective position one appointive by the board of supervisors, although for many years the county executive has been elected by voters of the county at large.

Whether or not the positions are elective or appointive, everyone will not be satisfied. That being the case, maybe it would be just as well to leave things as they are.

CHAMPIONSHIP COLMA BOYS CLUB BASEBALL TEAM

The Colma Boys Club Baseball Nine, winners of the bay area "A" summer league, wound up their season last Sunday by winning from Ayovoo Grocers, 2 to 1 at Funston Playground. Left to right: Kneeling: George Perada, 2b; Lee Micheletti, 2b; Lou Lunghi, cf; Babe Ottomello, p; Jim Silacci, 1b. Back Row: Lou

Mossi, manager; Tito Sarto, rf; Benny Parodi, c; Don Whol, lf; Howard Heffron, ss; Al Lagomarsino, 1b; Don Mossi, p; Joe Sarto, sponsor. Dick Morgan and Ray Settrini were not available for the picture. Each player received a trophy for winning the championship.

Gloria Castelan, Calvin Robbins Exchange Vows

Wedding bells rang September 4 at Our Lady of Perpetual Help Church for Miss Mary Gloria Castelan, daughter of Mr. and Mrs. Julius F. Castelan, and Calvin A. Robbins.

Escorted to the altar by her father, the bride was wearing a slipper satin in 19th century style, with a lace petticoat fringing her peck-a-bo skirt. Her full-length veil, fashioned of nylon net, was held in place by a crown of orange blossoms, and a pale orchid centered her bouquet of carnations and bouvardia.

The bride was preceded down the aisle by Miss Josephine Rivas, maid of honor, wearing a yellow gown with orchid carnations in her crown and bouquet. Frances Anderson and Martha McLean, bridesmaids, were gown in pale blue and carried pink carnations to match their crowns.

Louis Sandoval performed the duties of best man, while Victor Ramirez and Frank Delino escorted guests to their seats. The processional and recessional were played by Mrs. Barbara Cabral at the organ. The Bach-Gounod "Ave Maria" was sung before the ceremony by Mrs. John Henderson, coloratura.

The Rev. William Stewart read the nuptial vows at 5 p.m. At the wedding reception afterwards, in the Corinthian Room at the Hotel Whitcomb. The bride's mother wore a grey crepe afternoon dress with silver beading and black accessories. Some 200 guests drank a champagne toast to the justweds before they left for a two-week honeymoon in Oregon.

For her going-away costume, the young Mrs. Robbins chose a beige gabardine suit with navy complements.

The pair will make their home in San Francisco, where Robbins is employed in radio television. Gloria works for the California Physicians' Service. The benedict, son of Mr. and Mrs. Elm Robbins of Maine, was educated in the east.

Out-of-town guests at the wedding included Mr. and Mrs. Maurice Vannessi, Reginald Marquez, Mrs. Betty McLean and daughter, Maria, and Mrs. Marty Montoya of Los Angeles; Mr. and Mrs. Joe T. Castelan of Walnut Creek; Mr. and Mrs. Robert Levin and Charles Levin of San Jose; Mary and Bea Cano, Theresa Joaquin, Angelo and Carolina Chavez of Santa Clara.

HILLSBOROUGH FIGHTS PENINSULA HOSPITAL

Despite opposition from Hillsborough city councilmen, the board of directors of the peninsula hospital district are proceeding with plans for a new hospital on a twelve and a half acre site near the Hillsborough town hall.

People in Hillsborough contend the hospital is a business enterprise and are against its location in their city.

EAGLES RETURN

Ray Lagomarsino and family, with Roy Allain, have returned from a trip to Seattle. Lagomarsino, president of the Daly City-Colma Eagles, and past-president Allain attended the Eagles Grand Aerie Convention on the trip.

JOE'S DAUGHTERS CEREMONIES FRIDAY

Inspection for proficiency in the ritualistic ceremonies of Bethel U. D. International Order of Job's Daughters, to qualify for their charter, will be held Friday evening, September 17, at the Masonic Hall, 4706 Third street, according to Virginia Anderson, publicity chairman.

Parents and guardians of all Bethel members are cordially invited to attend.

Truman-Barkeley Club Meets On Thursdays

Meetings of the Daly City Truman-Barkeley Club are held every Thursday at 7:30 p.m. at 252 Los Banos avenue, it was announced by George Naylor, chairman of the club. Other officers are Humberto Rodriguez, vice chairman, and George Sim, second vice chairman. Naylor and Rodriguez are veterans while Sim is a labor leader.

The meetings are open to the public, Naylor said.

REAL POWER

Man has developed his greatest physical force in the atomic bomb, but it doesn't begin to match the power of a hurricane. A copyright story in the Chicago Daily News quotes meteorologists in the Windy City as saying that the hurricane is "many thousands of times" stronger than the A-bomb and that it can lift two million tons per square mile. Well, who are we to argue with the meteorologists? Our main interest is to keep out of the way of both atomic bombs and hurricanes. But someday men may learn enough about spiritual power to make the atom bomb morally obsolete and to control the winds as was done on the Sea of Galilee nearly 2,000 years ago.

Woodrow Wilson PTA Meets Next Tuesday To Discuss Kitchen

A meeting of the Woodrow Wilson Parent-Teachers Association will be held next Tuesday, September 21, in the sewing room at the administration building on Santa Barbara avenue, according to Mrs. Sanford Larson, publicity chairman. The meeting is set for 2 p.m.

The group will discuss organization of a soup kitchen a Woodrow Wilson for those children who bring their lunch to school during the winter months.

Officers of the Woodrow Wilson P.T.A. are as follows: President, Mrs. John Sorenson; vice president, Mrs. William Cheatham; honorary vice presidents, Miss Aileen Suber, Mrs. Ethel Hahn; recording secretary, Mrs. Harold Riey; corresponding secretary, Mrs. William Haynes; treasurer, Mrs. Robert Hacker; auditor, Miss Elizabeth Kennedy; financial secretary, Mrs. Irwin Cameron; parliamentarian, Mrs. Emil Miller, and historian, Mrs. Henry Adams.

Eminent Domain Suit Filed For Highway Extension

A condemnation suit to acquire the right-of-way for a three-mile stretch of Junipero Serra boulevard between San Bruno and Millbrae was filed in superior court last week by the district attorney's office, on authorization of the county board of supervisors, the San Francisco Board of supervisors, and directors of Joint Highway District 10 (San Mateo and San Francisco Counties).

The eminent domain action lists as defendants some 20 property owners in the section proposed for construction of an extension to the boulevard now ends at Sneath Lane in San Bruno, where traffic is diverted to El Camino Real.

Jurisdiction of the 10th district ends at Millbrae avenue in Millbrae, and any extension of the boulevard beyond that point would necessitate expansion of the district.

Extension of Junipero Serra Blvd. from San Bruno to Millbrae will result in the highway joining El Camino Real at Millbrae.

LIONS CLUB SPONSORS NEW BRISBANE GROUP

Members of the Colma - Daly City Lions Club will be hosts to the newly organized Brisbane Lions Club at a ladies night dinner next Wednesday at Uncle Tom's Cabin in San Bruno.

The local group is sponsoring the new Lions Club and Arnold Panela, Lions president, will present the Brisbane group with their official charter together with a bronze bell at the dinner. The bell, symbol of order among Lions, was engraved by E. A. Weisenburger of Colma.

The regular Wednesday luncheon meeting will take place at Estrada's restaurant for those who may be unable to attend the dinner meet.

Yvonne Hulme, Keith Marshall Wed In Reno

Mr. and Mrs. Keith B. Marshall returned to make their home in San Francisco last week after an informal wedding ceremony at Reno, Nevada.

The bride, the former Yvonne Christine Hulme, is the daughter of Mr. and Mrs. John A. Hulme of 140 Miriam street. She was graduated from Jefferson Union High School in June, and was employed as collector for the Daly City Record.

St. Michael's Ladies To Hold Game Party

A game session and social evening is being planned this week by the Ladies' Sodality of St. Michael's Parish for 8:15 p.m. September 24 in the parish hall on Broad street.

Mrs. Yolanda Bernardi, general chairman, is being assisted by Mrs. Carroll, games; Mrs. Peckitt, prizes, and Mrs. Neenan, refreshments.

The public has been invited to attend.

Piedmont Gridders Beat Mustangs 27-0 At Jefferson High

Stricken with fumble-itis and with an uncoordinated team that was unable to function as an unit, the Daly City Mustangs football team came out on the short end of a 27-0 score against a strong Piedmont Athletic Club eleven Sunday at Jefferson field.

Piedmont kicked off over the goal line, and with the ball on their own 20 yard line the Mustangs fumbled on the first play, Piedmont recovering on the 8 yard line. Taking advantage of this gift, Piedmont scored in two plays, on a reverse from fullback Glen Bilyeu to Don Zappitini over right tackle. Bilyeu converted.

On the second kickoff, after failing to gain, the Mustangs' Bob Dyer had a punt blocked by Piedmont tackle Hall. This scoring opportunity was muffed, however, as Barber's fumble was in turn recovered by Dyer on the six yard line.

Tudoni punted out to the 32 yard line, and with Bilyeu spinning through the line and Zappitini fumbling off tackle, Piedmont worked its way to the Mustang 3 yard line, where Bilyeu went over for the second score. Bilyeu passed to Smedman to make the score 14-0.

Later in the second quarter, Zappitini rumbled through right tackle to score again and at the end of the first half Piedmont led 21-0.

Sadly missing Jack Rainey, who was unable to play Sunday, the Mustangs' offense was never able to function, and despite stellar work by Joe Tudoni, Bob Plyer, and Bob Grimes, the locals never threatened to score. Plyer was knocked out twice and Tudoni once against the heavier Piedmont team.

On the defense, seventy per cent of the Mustang tackles were made in the secondary, with Merv Francis and Joe Tudoni in on most of the stops. The Piedmont forward wall, heavily experienced with men like Blackie Gardner and Bill Gantt of the Oakland Giants' pro team, were too much for the Mustang line.

For two plays, in the third quarter, the Mustangs had twelve men on the field, by mistake, but even this couldn't stem the Piedmont tide. Mustang Halfback Chuck Christian, finding himself the twelfth man, sneaked off the field without being discovered by the officials, thereby saving a stiff penalty.

The Mustangs head for Santa Rosa next Sunday for their first California Athletic League game against a Sonoma County eleven rated as top-notch competition.

SOUTH CITY VOTES ON REMOVE DEPT. HEADS FROM CIVIL SERVICE

A resolution passed by South City San Francisco council Wednesday will put a proposition on the November 2 ballot in that city to take all city department heads out of civil service and make them appointive.

Posis affected by the proposed change are police and fire chief, city judge, city attorney, auditor, superintendent of streets, park superintendent and building inspector. These positions have been under civil service since 1941.

A two-thirds vote is required on the proposition.

SERRA HIGH MOTHERS GREET FROSH WITH TEA

On Wednesday, September 15, at 1:15 p.m., the Serra High School mothers will hold a tea in the school auditorium honoring the mothers of freshman students.

Rev. Vincent J. Breen, principal, will give a welcoming address and Father Quinn, moderator of the Mother's Auxiliary, will also address the ladies. Entertainment will be given by the student body. The tea is sponsored by the officers and senior room mothers.

Mrs. John Loretz of San Mateo, president and general chairman, will preside at the meeting. Mrs. James Wallace is chairman of tea arrangements and is assisted by the following ladies: Mrs. John Loretz, president; Mrs. Francis Sheedy, recording secretary; Mrs. Harold Varmi, corresponding secretary; Mrs. George Mariani, treasurer; Mrs. Hubert Stronck, publicity; Mrs. Morris McCormack, membership.

Senior room mothers assisting are Mrs. Raymond Greene, Mrs. Phillip Miller, Mrs. Thomas Burns and Mrs. Robert Shields.

Martin S. Enright Serving In Japan

Private Martin S. Enright, son of Mrs. Joseph Enright, 966 Hanover street, is now serving with the occupation forces in Kobe, Japan.

Kobe, a typical oriental city of Japan, is located in the southern part of Honshu, Japan's main island, and is well known for its international fame and beauty.

Joining the army in May, 1947, at Butte, Montana, Private Enright came to Japan in August, 1947.

Answer to Puzzle No. 4

Series K-48

FOUR-POUND TWINS BORN TO LEONS

Anthony Leon, of 6275 Mission street, was passing out cigars by twos this week, after twin girls were born to Mrs. Leon Sunday at Mary's Help Hospital. The twins weighed four pounds six ounces and four pounds ten ounces, respectively.

The maternal grandparents are Mr. and Mrs. Core of Daly City. The twins' paternal grandparents reside in San Jose.

BACK ON JOB

Mrs. Evelyn Mosman, assistant in the city clerk's office, was back on the job this week after a week's vacation spent in southern California with her family.

On the trip Mrs. Mosman visited Grauman's Chinese Theatre and the Tom Brenneman Breakfast radio show.

Hillcrest Circle UAOB Honors Mrs. Lombard

Hillcrest Circle, No. 143, U. A. O. D., entertained with a surprise birthday party for Mrs. Victorine Lombard last Monday at Masonic temple. Known as "mother of the circle," Mrs. Lombard was presented with a table model radio gift.

The banquet room was decorated by Rose Watson and a corsage of violets was found at each plate. Baked ham was the main item at the table.

Claudia Canals

Mrs. Claudia Canals, 71, beloved wife of Arsenio J. Canals of 427 Evergreen street, passed away Sunday after an extended illness.

A native of Barcelona, Spain, Mrs. Canals had been a resident of Daly City for 25 years. She was the mother of Mrs. Mary B. Hersh and Richard A. Llop.

Funeral services were conducted Thursday, September 16, from the mortuary of W. C. Lasswell and Co., with interment at Olivet Memorial Park.

New Grand Regent For Catholic Daughters

Court St. Mary's, No. 1155, Catholic Daughters of America, hold its first autumn meeting tonight, September 16, under new Grand Regent Mrs. Elizabeth Wettstein, at 17 Hillcrest drive.

The Court was honored by a visit from state Grand Regent Mrs. Mary A. Whealen and state Vice Regent Mrs. Catherine Maloney, as well as the new district deputy, Mrs. Ruth Block, with whom many local members are acquainted.

The new grand regent was a surprise to those members who failed to attend the last spring meeting, as the then grand regent, Miss Magdalene Savage, resigned her position to enter the novitiate of the Sisters of St. Joseph of Orange in July.

Off The Record

By Paul Green

We were talking to Floyd Granger, county veterans service officer in the Redwood City courthouse, the other day and learned that he has probably visited more homes in the county than anyone else.

Way back in 1912, Floyd was a boy and was working for the princely sum of \$1.50 per day. In those days it was the practice of the Pacific Gas and Electric Co. to hire young fellows who could play baseball. Being a fair hand with a horseshoe, he put in his application and almost leaped at the P. G. & E. employment manager when he was offered a job at \$2.50 a day. A princely sum, indeed!

It seems hard to realize now, but in 1912 only one man was required to read all the gas and electric meters in San Mateo county, from Daly City to Menlo Park. And that one man was Floyd Granger.

He used to make his rounds through most of the county on bicycle, reading meters as he went along. Where possible, he rode, but the condition of the roads often made it necessary for him to use shank's mare and carry the bike on his back.

The main office was in Redwood City, and he would take the train from there when it was meter-reading time in Daly City. He'd get off the train in Ocean View, where the RR tracks cross San Jose avenue near Siskiel's avenue and walk up the hill, past the present Record offices, to tally his figures.

Because there were no streets in Daly City or Colma that long ago, and because the sandy loam was too soft for a bike, he made his local rounds afoot. For years he visited every local building once a month.

In Colma he was permitted to hire a horse and buggy to get his readings on "The Old Saurkraut Ranch," up on San Pedro road.

As Floyd remembers it now, it was not an unpleasant life, except for frequent skirmishes with alert dogs who guarded their masters' premises.

His biggest scare was when he had a few hot words with one of the hog ranchers who abounded in this vicinity in those days. The hog man threatened to cut him up and feed him to the pigs. Floyd says the guy wasn't kidding, either.

ASTHMA

Don't let coughing, wheezing, recurring attacks of Bronchial Asthma ruin sleep and energy without trying MEDACO, which works thru the blood to reach bronchial tubes and lungs. Usually helps nature quickly remove thick, sticky mucus. Thus alleviates coughing and aids freer breathing and better sleep. Get MEDACO from your druggist. Satisfaction or money back guaranteed.

PARENTS, TEACHERS CHART PROGRAM FOR NEW SCHOOL TERM

With the start of another fall term, Parent Teacher Associations in the Jefferson School District are resuming their programs and charting new projects.

The parents' organizations which figure so prominently in most phases of children's affairs are taking their places again at the helm of the community's home-school life. They are making ready for another year of directing their children's interests.

Local units of the California Congress of Parents and Teachers, which in turn is a part of the National Congress, are entering their second quarter in a century of existence. Founded for the general purpose of promoting child welfare in the home, the school, and the community, they have since achieved a highly influential position in local affairs.

A tribute to the congress founders, Mrs. Alice McLellan Birney and Mrs. Phoebe Apperson Hearst, is the altruistic inspiration which has kept the national organization and its subsidiary state, district and local units functioning through the 51 years of its history. A non-sectarian, non-partisan association, its principal objectives are to better the standard of home life; to secure adequate laws for protection of youth; to bring about a closer relation between the educator and the parent, and to insure adequate health care for all school children.

Another, more recent goal which has taken hold throughout the congress is the promotion of parent education. Satisfied with the constant progress in children's education brought about largely through its efforts, the association now is concentrating a great part of its energy in adult studies.

Membership in the Parent Teacher Associations of any community is limited only by interest in the association's functions. Parents and teachers, it is true, make up the bulk of the membership. But any interested member of the community will be accepted on request — and payment of the national dues.

Jefferson district P.T.A.'s meeting this week to program the conferences and projects for the term. There will be social activities included in the schedule, well as civic aid projects and adult education classes. And, even in some way, will be signed to put across the supreme principle of the National Congress of Parents and Teachers — the promotion of child welfare in school, the home and the community.

NOTICE TO BIDDERS

Notice is hereby given that bids will be received by the Board of Trustees of the Jefferson School District on or before 8:00 p.m., on Thursday, September 30, 1948, for the furnishing and installation of a drain on the Garden School Site according to the plans and specifications on file in the Office of the School Superintendent, 344 Santa Barbara Avenue, Daly City 25, California.

All bids are to be accompanied by a bid bond or certified check in amount equal to ten (10%) percent of the bid as a guarantee of the successful bidder will enter into a contract. Upon signing the agreement this deposit will be returned to the bidders.

The said Board of Trustees reserves the right to reject any and all bids or to waive any informalities in the bids.

Prospective bidders may acquire plans and specifications as well as additional information from Mrs. L. Snell, District School Superintendent, Jefferson School District, 344 Santa Barbara Avenue, Daly City 25, California.

LEAGUE OF CALIFORNIA CITIES OPENS CONFERENCE NEXT WEEK; 1,000 EXPECTED AT LONG BEACH

How to furnish the most in public services for the local tax dollars will be the central theme of the fiftieth annual conference of the League of California Cities, to be held at Long Beach September 19-22. More than a thousand officials, from some 200 California cities, will attend.

The League will commemorate its golden anniversary with a pageant depicting a century of municipal development in the state, to be produced in cooperation with the California Centennials Commission, and a statewide radio broadcast over the ABC network on Saturday, September 18.

Lieutenant Governor Goodwin L. Knight, Virgil Pinkley, editor and publisher of the new Los Angeles Mirror; Carl Chatters, executive director of the American Municipal Association; Miner Phillips, executive director of the Municipal Finance Officers Association; and Neal Van Sooy, publisher of the Santa Paula Chronicle, are among the general session speakers. Nine functional groups of city administrators and legislators will each hold four working sessions, discussing the latest wrinkles of city government and management—everything from long range planning to disposal of garbage, in more than 80 specific subject assignments.

The participating functional groups, representing League departments, are mayors and councilmen, managers, planners, finance officers, public works officers, health officers, fire chiefs, city attorneys and recreation and park officials.

Developments in city charters; municipal accounting procedures; zoning variances; state fire training program; the pros and cons of self-service gas stations; building code regulations; and the hiring and firing of employees are among the varied topics that will be considered.

Edwin L. Carly, mayor of Oxnard, is this year's president of the League. Richard Graves, Berkeley, is the executive director.

MRS. MARJORIE JOHNSON OF CHICAGO WON A DIVORCE WHEN SHE TOLD THE JUDGE HER HUSBAND HIT HER WHEN SHE TRIED TO MAKE HIM GIVE UP HIS COMIC BOOKS FOR THE CLASSICS.

BOSTON TELEGRAPH CLERK VIRGINIA SULLIVAN COUNTED THE TEN WORDS A CUSTOMER HAD HANDED HER... QUICKLY PASSED OVER \$500 WHEN SHE ASSESSED THE MESSAGE, "THIS IS A STUPID, QUIET AND YOU GET IT."

MURIEL CHADDOX WED TO RAYLAND CORRIE

Muriel Chaddox, daughter of Mrs. Tina Hollingsworth of Collins avenue, Colma, was united in marriage to Rayland Corrie, of Burlingame, in ceremonies at the Geneva Avenue Methodist Church last Saturday, September 11. The Reverend Richard Bimmon, assisted by the Reverend Elizabeth McClary, Rayland's aunt, officiated at the rites.

The bride was given in marriage by her grandfather, Edward A. Weisenburger, and wore a rose beaded satin suit with cocoa brown accessories and a bouquet of baby roses and bouvardia.

Mrs. Patricia Moore, matron of honor, wore brown satin. Best man was Lee Jasper.

Muriel is a graduate of Jefferson High School, while Rayland attended Mission High School.

The wedding was followed by a family dinner at the Pioneer Hotel, Woodside.

The bride couple will honeymoon at Yosemite Valley, followed by a deer hunting trip at Gazelle, California, and will make their home in Burlingame.

New Arrivals

To the wife of Emil R. Anderson, Colma, August 25, a daughter.
To the wife of Robert L. Davis, 359 Woodrow street, August 25, a daughter.
To the wife of Alexander M. Douglas, Colma, September 6, a daughter.
To the wife of John C. Emerson Jr., Colma, September 7, a daughter.
To the wife of Forrest R. Thompson, Colma, August 26, a daughter.
To the wife of Chester A. Copple, 286 Hillside boulevard, September 6, a daughter.
To the wife of Thomas F. Mahoney, 254 Irvington street, August 28, a son.
To the wife of Kal W. Lines, Colma, September 6, a son.
To the wife of Edmund J. Paczesniak, 506 Bellevue avenue, a daughter.

Marriage Licenses

Issued recently to: Carl Pistocchi, 26, Colma, and Rita Galli, 24, 516 Kansas street.
Albert Delucchi, 29, 382 Green street, San Francisco, and Lorraine Lavagnino, 26, Colma.
Walter Henning, 37, 2001 46th avenue, San Francisco, and Clara Peterson, 35, Daly City.
Richard Smith, 30, Daly City, and Genie Raymond, 27, 533 29th street, San Francisco.
Robert Smiley, 20, 65 Minerva street, San Francisco, and Edna Templin, 20, Daly City.

Coletta Molloy To Be Graduated Sunday

Miss Coletta Molloy, former Colma girl now living at 649 16th avenue, San Francisco, will be graduated Sunday from the Mary's Help College of Nursing.

The young Jefferson High School graduate of the class of 1945 will be awarded her certificate at 3 p.m. Sunday at Mission Dolores. The Most Reverend James T. O'Dowd, D.D., Ph.D., auxiliary bishop of San Francisco, will officiate.

GEORGIA VISITOR

Mrs. Leone Martin of Atlanta, Georgia, returned to her home in the east last week after spending a month's vacation here with her brother-in-law and sister, Mr. and Mrs. A. A. Black of 109 San Diego avenue.

Why California uses more rural electricity than all the other 47 States combined

The wide, rich valleys of California produce fruit and vegetables, grain and cattle, throughout the year... thanks to electric power. Irrigation is the most important of the many uses of electricity in rural California where more than half the nation's rural power is at work. Farm electricity is made possible by P. G. and E.'s liberal policy of stringing lines into farm areas... by P. G. and E.'s rural electric rates, among the lowest in the nation... by P. G. and E.'s vast interconnected power network.

for the record

California farms are 96% electrified... highest percentage in the nation.

P. G. and E. is spending nearly 2,000,000 post-war horsepower to California

234,000 of this new horsepower already is in service.

Horsepower meant just that not many years ago. For pumping was done by windmill or with animal power. It was primitive, inadequate. Then electric horsepower came to the valleys. And richness came to the dry summer fields of California.

More eggs today... with lighted chicken houses. Dairies milk with electricity. Rural power grinds feed, dries hay, runs electric tools. Cheap electric power means more wealth for both farms and cities in Northern and Central California.

Work never stops on our power-building program

P. G. and E. • PACIFIC GAS AND ELECTRIC COMPANY

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

Walter Healy, 871 Brunswick street.
J. E. Kasten, 64 Cavour street.

Portola Trek Reaches Daly City On October 16th

(Continued from page 1)
operation with the California Centennials Commission, it is a most important part of California's three year Centennial celebrations. Upon the arrival of this Trek group in San Francisco on October 17, they will open the week-long Portola Festival and Pageant which that city is reviving.

108-DAY TRIP

E. E. Kleck, the modern Portola in the now-famous Portola Trek, which is reenacting the historical expedition of 179 years ago, says that his riders are already rested and champing at the bit to continue the balance of their 108-day horseback journey from San Diego to San Francisco.

"I picked these Trek riders for their ability to withstand the rigors of the ride, rather than their acting ability," states Kleck, "and they have justified my judgment in every respect. They have donned the fancy uniforms which the soldiers of the 18th century wore with some misgiving, nor were their horses too happy with the fancy trappings, spears, flags, etc.; but now both men and horses have become seasoned veterans.

"Tourist and local people all along the way have shown an intense interest in this Trek. Thousands of pictures have been taken and there is no doubt but that we are doing a great deal to recall the glorious history of California," he continues. "The scout Ortega attracts a great deal of attention, as Fr. Crespi, in his original diary, built this scout up to considerable stature. The men taking the parts of Fathers Crespi and Gomez also attract the public; in fact, it is difficult to convince many that these men are not real priests of the Franciscan order."

The California Centennials Commission and the California Mission Trails Association have done a great thing for California in bringing this reenactment of history to every city and town along the old El Camino Real. Children have gained a new concept of our history, and newcomers to the state are amazed to see such actual presentation.

VISIT MISSIONS

"As we take up the last lap of our journey next week," Kleck continues, "we will first visit Mission San Miguel Arcangel, then Mission San Antonio de Padua which is now being restored with funds supplied by the Hearst Foundation. Next will come a visit to Mission Carmel where Fr. Serra made his home, followed by Missions San Juan Bautista, Santa Cruz, Santa Clara, San Jose de Guadalupe and finally, Mission Dolores in San Francisco. Discovery rites are presented at every town and village along the way with native Indians reenacting the parts of those who lived in these rancherias and welcomed the original Portola party 179 years ago.

"Personally, I am proud to be a part of this historical presentation, and with the other participants, feel that the time, effort and money spent on this Portola Trek is being fully justified by the reception from the citizens of California. The welcome we have received along the line of march, the hospitality of the townspeople and the entertainment given on our behalf have been beyond our greatest expectation. When we arrive in San Francisco on October 17 to open the week-long Portola Fiesta, it will mark the completion of the greatest historical event ever reenacted."

21,500 ENROLL AT BERKELEY U.C.

Veteran enrollment on the two major campuses of the University of California this fall is expected to be from five to eight per cent smaller than it was last year, but total enrollment at U. C. L. A. and Berkeley will be about the same, registrars on both campuses have reported.

An enrollment of 21,500 students is expected at Berkeley, according to Registrar Thomas B. Steel.

U. C. L. A. expects 14,500 students to register, Registrar William C. Pomeroy said.

Last year at the close of registration, 21,396 students, including 10,813 veterans, were enrolled on the Berkeley campus. At U. C. L. A. 14,258 students, including 6,130 veterans, were registered.

An increased demand for graduate instruction on both campuses this year has also been reported.

Registration for all students will be held from September 16 through September 18 on the Berkeley and Davis campuses and on September 15 at Santa Barbara.

At Los Angeles, new students will enroll for classes on September 16 and 17.

Full classes on all campuses will begin next Monday, September 20.

ANNEXATION

(Continued from page 1)

tempt to speed up action. A heavy traffic and pedestrian problem is anticipated at the crossing when the mammoth King's Market, at Junipero Serra and Garden Gate-way, opens on September 28. The council had requested traffic control measures several months ago.

The council accepted a report by City Engineer R. C. Klassen on the completion of the Woodrow Street Improvement project. The project covers paving of Woodrow street between Citrus avenue and Jefferson high school at a cost of \$5,976.42. The work was accomplished by creation of an assessment district including property owners who benefited by the improvements.

Acceptance of the resignations of A. P. Chesney and Basil Foppiano from the volunteer fire department was another item on the agenda. Chesney, former chief of the fire department, has retired and moved to the country.

Adoption of an ordinance annexing approximately three blocks south of Market street, between El Camino Real and Hillside boulevard, the Garden Valley annex, was postponed because of a discrepancy in metes and bounds description of the property. The ordinance will come up again at the next regular council meeting on September 27.

LOWER CURBS

On petition of George Kirchhubel, the city engineer was instructed to look into the matter of lowering curbs at the crossing at Hillcrest drive and Mission street. Kirchhubel alleged these curbs are too high and are dangerous and inconvenient to women wheeling baby carriages.

Hugh Smith Jr., membership chairman for the Mission Trails Association, requested that October 15 and 16 be set aside as Daly City centennial days and that a program be arranged when the Portola Trek comes through Daly City on October 16. The council authorized the mayor to proclaim those days as centennial days, and a merchants committee is expected to outline a program.

The question of whether arguments for and against the Westlake annexation will be printed to accompany sample ballots which are to be sent to each voter was referred to City Attorney F. E. Hoffmann, who will provide an opinion at the next council meeting.

Colma Boys Club Wins Class A Title 2 To 1 At Funston

Ending their summer season as champions of the bay area class "A" summer league, the Colma Boys Club senior baseball team won the league championship playoffs last Sunday by defeating Ayoob Grocers, 2 to 1, at Funston Park.

Batori, Ayoob hurler, pitched a fine game, allowing only four hits, but Colma's Don Lunghi and Lee Micheletti managed to cross home plate to win the game. Earlier in the season, Batori shut out the Colma nine with a no-hit, no-run game.

Sunday's game was the last of the season for Joe Sarto's club team, with most of the players returning to school. Each man received an individual trophy for his part in the championship.

Locals Beat Cops In Twelve Innings At Marchbank Park

A sharp single by centerfielder Fred Fazio in the twelfth inning, scoring left-fielder Sick, gave the Junipero Serra baseballers a hard-fought 3 to 2 victory over the San Francisco police tossers Sunday at Marchbank Park.

Outlasting three San Francisco pitchers, Fred Lucia, just returned from Oregon, allowed only seven hits. The Junipero Serra nine collected eight bingles from the Police hurlers.

It was a pitcher's battle throughout, with both sides going scoreless for the first eleven innings. Lucia struck out six of the first nine men to face him.

The police scored twice to open the twelfth when second-sacker Morey clouted a triple to score Woods and Anzin.

Trailing, 2 to 0 in the last of the twelfth, things looked hopeless for the locals. Harry Krohn was out on a ground ball and then Fred Lucia revived hope with a clean single. Neil Pezola popped out to first-baseman Bates and with one man on and two out the game looked like a lost cause.

However, Dick Schultz, third baseman who hit three for five Sunday, came through with a single to advance Lucia. Left-fielder Harman Sick followed with another bingle to load the bases.

Right-fielder Eddie Flynn found himself in the clutch, with the bags loaded, two out, and his team trailing 2 to 0. Eddie promptly lined a hard-hit ball down the left-field line to score Lucia and Schultz and tie the score. Fazio, who just returned from a season with the West Texas League, singled to score Sick and win the ball game.

The box-score:

JUNIPERO SERRA MERCH.

LOTS OF TROUT

Pack horses provided by the Mt. Ralston Fish Planting Club of Sacramento will assist crews of the Division of Fish and Game in the planting of 238,650 rainbow trout fingerlings from the Tahoe and Mt. Tallac hatcheries.

According to a report from the Bureau of Fish Conservation, most of the fish will be taken to the Desolation Valley Primitive Area in El Dorado and Placer counties.

County VFW Posts To Sponsor Dance

San Mateo county posts of the Veterans of Foreign Wars were busy this week completing arrangements for their benefit dance to be held at Bay Meadows Club-house October 2. Band-leader Ray Hackett and his Hotel Mark Hopkins orchestra will provide the music for the affair.

The dance is sponsored by VFW posts in Daly City, Half Moon Bay, San Bruno, San Mateo, Burlingame, Millbrae, Woodside, Sharp Park, San Carlos, Brisbane and Redwood City.

Proceeds will be used for a hospital relief fund for ill or disabled veterans.

Postmen Aid Forest Rangers Against Fires

San Francisco's obliging mailmen are cooperating with forest rangers by postmarking mail with a timely slogan: "Remember—only you can prevent forest fires."

A cancellation die using the slogan went into use last week according to a joint announcement by Regional Forester Perry A. Thompson, U. S. Forest Service, and Acting Postmaster John F. Fiza.

San Francisco is one of 38 cities in the United States where about 40 million pieces of mail a day will carry the slogan. This slogan is also appearing in newspaper advertisements, trolley and bus cards, billboards and other media, in a national campaign sponsored by Federal and State agencies and the Advertising Council.

IMPORTANT DATES

September 16 — National Guard Day.

September 16, 1854 — Admiral David Farragut established Mare Island Navy Yard.

September 17 — Constitution Day (1787).

September 17, 1776 — San Francisco Presidio founded by Jose J. Moraga.

BASEBALL AT TIBURON

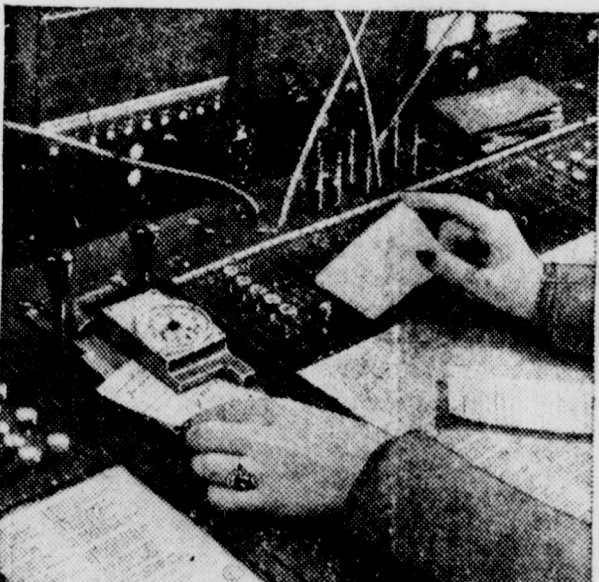

Traveling to Tiburon next Sunday, the Junipero Serra Merchants baseball nine will tackle the Tiburon town team at 2:30. After this game the Junipers will enter the winter baseball league and return to Marchbank Park.

"THIS IS LONG DISTANCE"

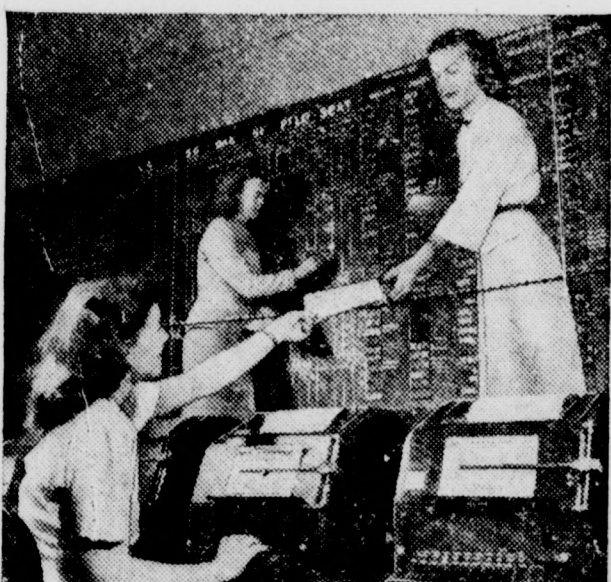

How telephone operators route and time your calls

1. Perhaps you've wondered how your long distance calls usually go through so quickly... even to small, far-away places. The routing operator is one reason. A long distance operator has just asked her the route to Pilot Grove, Missouri. From her special book she finds it and flashes back... "MX Kansas City, TC Boonville."

2. When the call is answered, thousands of miles away, the operator placing the call slips her "toll ticket" into this device... known as a calligraph. When you begin talking, she moves a lever to stamp the time on the ticket. When you hang up, a signal tells her to stamp it again... thus recording the length of your call.

3. Your call's roadway, to Pilot Grove—or anywhere—is kept open in this Traffic Control Center. Should major trouble occur on one route, the Center must find another to carry the calls. This is just part of our service job... making it possible for you to call across town, or across country, when you wish, as often as you wish.

4. When you make a telephone call, you hire a mighty servant to work for you at small cost. And that servant is more useful than ever. In the past ten years, the number of telephones on the Coast has about doubled. We're hard at it to provide more and better service for more people. And each new telephone added makes every telephone that much more valuable.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Colma Boys' Club Junior Baseball Winds Up Sunday

Colma Boys Club Jr. baseball nine will wind up its summer season when they tangle with the De Nike juniors at Marchbank Park Sunday at 10:30 a.m.

The juniors have won five and lost two games in league competition.

Don Montague, 17-year-old hurler who recently moved here from San Jose, will take the mound for Colma.

In a previous game, the two teams battled to a 1 to 1 tie in a game that was called after seven innings.

After the game the Boys Club players will be feted at a dinner party put on at the Colonial Drive-in by sponsor Joe Sarto.

SUNSET A. C. WINS

San Francisco's Sunset Athletic Club defeated the Mountain View Apache team, 14 to 0 Sunday, California Athletic League football game at Mountain View. Fifteen hundred fans saw the tussle.

Both of these teams will come against the Daly City Mustangs eleven in league games this season.

Motorcycle Travel Is Cheapest, Boys Find

Bob Grimes, quarterback, Dick Meyers, left end on the City Mustangs football team, back in town after a ten-day motorcycle trip to Vancouver, B. C. The boys completed their journey at a combined cost of \$140.

After a visit with Myers' cousin Whidby Island in Vancouver where Grimes landed a 25-pound salmon and Myers a shark, the motorcycleists returned to Daly City via the Redwood Highway.

SCHOLARSHIP WINNER — David Barclay Kirby, Berkeley, has been awarded the Friend W. Richardson scholarship in journalism on the Berkeley campus of the University of California. A 24-year-old Army veteran, Kirby will enter his senior year at the University and will serve as sports editor of the Daily Californian, student newspaper, this fall. Kirby is the second student to win the scholarship set up by the California Press Association as an award for an outstanding journalism student who intends to work on a California newspaper upon graduation.

Pre-Carnival Dance At
OLPH School Success

Cowboy boots, ten-gallon hats and bright shirts were plentiful Saturday night at Our Lady of Perpetual Help School on Wellington avenue as more than 200 people turned out for the western-style pre-carnival dance.

Music by Bill Richardson and his band kept the crowd dancing in the gaily-decorated auditorium from 9 p.m. until midnight.

Put down in the books as a big success, the dance was the first active event in preparation for the gigantic festival and carnival to be held on the school grounds for a full week end, October 1, 2 and 3.

Wagon wheels and other western decorative items for the dance were provided by the Fix-it Shop, 6173 Mission street.

USE ALL THE SENSES

The good driver operates his automobile with four of his five senses active, taste being the comparatively useless one. The observant operator realizes that his sense of smell frequently informs him when the engine of the car is running at too hot a temperature. He is conscious, too, that his hearing is indispensable to keeping track of potential and actual car troubles in the form of noises that manifest themselves in various parts of the vehicle. As to the sense of touch, it can be mighty handy in detecting flaws in the brake performance, or that of the steering mechanism. Sight, of course, is the busiest of the senses in driving but that is no reason why the others should be excluded from their natural roles.

POSITION CHANGE HELPS

There is restfulness in changing position in the course of long hours steadily behind the wheel of a motor vehicle, declares National Automobile Club. A considerable portion of the muscle fatigue will disappear with every adjustment of one's posture.

In connection with posture, physicians have pointed out that the human spine is the world's best shock absorber and that, to give it a chance to work at its best, all that is necessary is to sit erect. They recommend, too, that the driver get out of the car and stretch frequently.

Burlingame Fire Bonds
Must Be Re-Submitted
To Vote, Court Decides

A bond issue of \$170,000 for a new Burlingame fire department sub-station may have to wait until next year to be placed on the ballot, Burlingame voters approved the issue in April of this year but the wording of the proposition was declared illegal by the district court of appeals.

County Clerk William Augustus has stated that September 7 was the last date for obtaining a place on the ballot in the general elections November 2, and has advised Burlingame officials that "there is too much on the ballot already." Augustus recommended that Burlingame voters wait and take a second vote on the matter at a special election after the first of the year.

However, there is still a chance for the matter to be placed on the November ballot, if the county board of supervisors so decides at its next meeting on September 21.

Warped Door
Straighten a warped door by putting a third hinge midway between those already on the door.

Fiction Writing On
At U. C. Extension

Lloyd Eric Reeve, free-lance fiction writer whose stories are familiar to readers of nationally circulated magazines, will teach a University of California Extension class in advanced fiction writing starting Thursday, September 23, at 8 p.m. The ten-meeting course will be given at 540 Powell street in San Francisco.

Writing and criticism, round-table discussions and analysis of current fiction writing will be covered by the course. Reeve, past president of the California Writers

HAVE HOOD DONE OVER

One way of improving the appearance of your car without undue cost is to have the hood refinished, advises the National Automobile Club. More subject to heat than any other part of the vehicle, it is most likely to show the ravages of time.

Association, is a lecturer in journalism at the University of California, Berkeley.

Further information may be obtained by calling EXbrook 2-0824. The first meeting of the class is open to the public without charge.

LONE DRAFTEE?

Thirteen young men in San Mateo county between the ages of 18-25 years will be inducted for military service in November, according to quotas allocated by State Selective Service headquarters. The total for California will be 673.

Out of the county quota of 13, it is expected that probably one of the selectees will be from Daly City.

Diesels Coming In
Railroads put 465 Diesel road locomotives in service in 1947 compared with only 48 in 1945.

WHERE TO GO, WHAT TO SEE, WHAT TO DO

Fairs, fiestas and other celebrations crowd the calendar for the coming weekend, September 17-19, as the harvest season advances in California.

According to the Travel and Recreation Committee of the California State Chamber of Commerce, some half dozen county and district fairs are among the various events scheduled. Following is a complete list.

- Glen County Fair, Orland, September 15-19.
- Butte County Fair, Gridley, September 16-19.
- Replacing of Flag Pole, & Dedication, Bodega, Sept. 18-19.
- Russian River Canoe Portage, Guerneville, Sept. 18-19.
- Mounted Sheriff's Posse Annual Horse Day (Horse Show), Fairfax, Sept. 19.
- Walnut Festival, Walnut Creek, September 17-19.
- San Mateo Hobby Holiday, San Mateo, September 19.
- Mexican Independence Celebration, San Jose, Sept. 16 and 19.
- Santa Clara County Fair, San Jose, September 13-19.
- Mother Lode Fair, Sonoma, September 16-19.
- Lodi Grape and Wine Festival, Lodi, Sept. 17-19.
- National Womens Amateur Golf Tournament, Monterey, Sept. 13-18.
- 16th District Fair, Paso Robles, September 16-19.
- Merced County Fair, Merced, September 14-19.
- Mexican Independence Celebration, Oxnard, Sept. 16.
- Torrance Factory Fair, Torrance, September 16-19.
- Los Angeles County Fair, Pomona, Sept. 17-Oct. 3.
- Aztec Riders 3rd Annual All-Western Horse Show, Alvarado Canyon, San Diego, 1 p.m., Sept. 18-19.

End Of Priorities In War Assets Sales; End Of Program This Year

To facilities complete liquidation of the War Assets Administration by February 28, 1949, as provided for by recent Congressional action, priority preferences have been abolished August 31, on sales of limited remaining surplus personal property inventories, and all offerings will be by the competitive bid method according to Robert B. Bradford, WAA Regional Director in this area.

"What this means," Bradford stated, "is that all buyers will now participate in WAA general disposal sales on an equal basis. Priority preferences originally established to aid Veterans buyers, Federal Agencies, state and local governments and their instrumentalities, non-profit institutions, and others, have been abolished by Congressional action. WAA will continue, however, to give paramount consideration to the needs of Government and of the armed forces for National defense, at the time stocks are programmed for sale. Existing priorities in the sale of surplus real property will remain in effect."

Bradford pointed out that at the present time only about \$4,000,000 worth of surplus personal property remains to be sold by WAA in this region.

DEER PLENTIFUL

California has 35 deer for every 10 square miles of territory, writes Gunner Castwell in the August

Speaks for Boys

The Rt. Rev. Msgr. Fulton Sheen will be one of the principal speakers at the ground breaking ceremonies for the new Archbishop Hanna Center for Boys Sunday, Sept. 19. The \$1,250,000 shelter for homeless and neglected boys will be constructed near Boyes Hot Springs in the Sonoma Valley.

Dependency Allowances For Disabled Veterans Effective This Month

Veterans in San Mateo county who have service-connected disabilities rated at 60 per cent or more have been advised by Floyd D. Granger, veterans service officer, to take prompt action to obtain the increased compensation they are now entitled to for their dependents.

The increases are effective this month, Granger said, but they are not automatic. On the contrary, eligible veterans who delay in filling out the necessary form and furnishing the necessary proof of dependency may lose one or more months' extra compensation.

The new law adds to the eligible veteran's monthly pension amounts varying with the degree of disability and number of dependents. For example, Granger said, a man with 60 per cent wartime service-connected disability with no wife and one child would be entitled to an additional \$8.40. A veteran with 60 per cent disability and a wife, three or more children and two dependent parents would get \$91 additional.

Proof of dependency must be documentary, Granger reminded veterans. In the case of a wife, it can be a certified copy or abstract of the marriage record; for children, a copy of the birth certificate; and for parents, affidavits covering their income for the past 12 months as well as a copy or abstract of the veteran's own birth record.

Veterans eligible for the increased compensation on the dependency basis are invited to call at the Veterans Service Office, located in the courthouse, Redwood City, for assistance between the hours of 9 a.m. and 5 p.m. or to telephone EMerson 6-5711.

Issue of WEST COAST SPORTSMAN Magazine; this compares with 37 for Colorado; 27 for Oregon; 26 for Utah; 12 for Arizona; and 10 for Nevada. However, Castwell points out, California is fourth among the same States in the number of hunters per square mile.

POLITICAL PICTURE

Things are moving faster in politics these days.

Charges and counter charges, as well as eggs and ripe fruit are being hurled with much vigor and little discretion.

Henry Wallace hit the headlines when he got hit with some poultry produce on his swing through the South. Harry Truman and Tom Dewey seized the occasion of Labor Day to belabor each other. The lesser members of their respective parties helped out with assorted accusations, condemnations and denials.

In state politics the ghost of Huey Long dominated the election in Louisiana and his son, Russel Long was sent to Washington to follow in the footsteps of the garrulous Huey.

In Texas, the contest for the senate seat abandoned by the once-popular "Pappy" O'Daniel turned out to be probably the closest vote for a major office in American history. With nearly a million ballots cast for the candidates, former Governor Coke Stevenson and Representative Lyndon Johnson, less than 100 votes separated them according to latest reports, with Johnson having the edge.

The political situation as a whole is already hotter than a hotfoot, but it's going to get a lot hotter before November rolls around. The best thing we citizens can do is to keep our heads up and our tempers down during the "heat wave."

BE CARELESS — PAY

State Fish and Game patrol officers are assisting the U.S. and State Forest Services in the enforcement of fire prevention regulations; and if the thought of all those wasted natural resources—fish, wildlife, timber, water, etc.—doesn't make you want to put out cigarettes, matches, camp fires, and the like when in the fields and forests, consider that three "accidental" firebugs were sentenced to 30 days in jail by an Oronville judge; a Quincy judge fined a townsman \$100 for a similar offense; a logger paid \$150 for failure to comply with safety regulations; and a San Francisco vacationer paid out \$25 for the privilege of leaving a camp fire unattended while he went fishing. These were all in the month of August and are isolated instances cited to impress careless "incendiaries" there are fire laws, too.

Dedication Of Hanna Center For Boys Next Sunday

Many Catholics from this community will travel to Boyes Hot Springs Sunday, September 19, to witness the impressive ground breaking ceremonies for the new \$1,250,000 Archbishop Hanna Center for Boys.

Monsignor Fulton J. Sheen, outstanding Catholic leader and speaker has flown to the coast from Washington, D. C., to make the dedicatory address. Monsignor Sheen will be introduced by screen actress, Miss Irene Dunne.

Archbishop John J. Mitty will make the final address on the 170 acre site location, and then a small boy elected from the membership of the present Hanna Center in Menlo Park will turn the first shovel of earth.

Archbishop Mitty will bless the ground with holy water flown direct from Rome. The Pope is keenly interested in the problems of youngsters and the leadership northern Californians have taken in helping to solve them.

The program will last for one hour beginning at 2:45 p.m. There will be adequate parking. The public is invited.

FISH WITH WORMS

Ton Garon, owner of the Bal Tabarin night club in San Francisco, recently caught the largest Loch Leven trout ever taken from Plumas Forest lakes; the monster's weight was 20 pounds and was pulled in after a 60-minute battle; ASC purists will grieve to learn Garon took the prize with — that's right — worms!

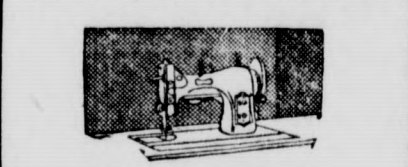

Author George Axelrod and wife, Gloria, re-enact some of the kitchen comedy in his book, "Beggar's Choice."

A LOT OF LIONS

A Mendocino hunter has applied for bounty on the 10,000th mountain lion turned over to State authorities, reports the California Division of Fish and Game; Charles Bucknell of Bell Springs was the county claimer; first bounty ever paid was to Jake Newcomer of Ukiah in 1907.

SLOW DOWN TO BE SAFE

Don't cut back sharply to the main road surface after running off on the road shoulder, warns the National Automobile Club. It is the instinctive thing to do, but the wheel striking the road edge at a good speed is likely to twist the steering wheel out of the driver's hands. Pull back on the surface only after slowing down.

PYRAMID LAKE

Pyramid Lake, lying 37 miles northeast of Reno in Nevada, is reported to be unlike any other lake in the world. It is 30 miles long, 12 miles wide, and 3783 feet above sea level. Located in the desert, its waters are clear and deep and gulls and pelicans swarm over it by the thousands.
